### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:
2. The examiner considered the Applicant's Amendment filed on 3-22-05, and after updated search, no other prior art of record has taught that which was allowed in the first office action off RCE.
3. Therefore, claims 16 and 17 are allowable.
4. Independent claim 16, when considered as a whole, is allowable over the prior art of record. Specifically the prior art of record fails to clearly teach or support the limitations of adjusting the orientation of a display based on the speech recognition of identified audio commands spoken by a user.
8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
